

The District shall support the general wellness of all students by implementing measurable goals to promote sound nutrition and student health and to reduce childhood obesity.

[See EHAA for information regarding the District's coordinated school health program.]

**Development,
Implementation, and
Review of Guidelines
and Goals**

The mission of the District School Health Advisory Council (SHAC) is to encourage and promote fitness and healthy lifestyle choices for our students, staff, and community.

The goals of the SHAC are to review and recommend programs that provide current information on health, physical, and social education issues that are important to our students and community. The SHAC shall then advise the Board of these programs, and once approved, shall work together with staff and parents to see that they are implemented in accordance with state recommendations.

[See BDF for required membership of the SHAC.]

Wellness Plan

The SHAC shall develop a wellness plan to implement the District's nutrition guidelines and wellness goals. The wellness plan shall, at a minimum, address:

1. Strategies for soliciting involvement by and input from persons interested in the wellness plan and policy;
2. Objectives, benchmarks, and activities for implementing the wellness goals;
3. Methods for measuring implementation of the wellness goals;
4. The District's standards for foods and beverages provided, but not sold, to students during the school day on a school campus; and
5. The manner of communicating to the public applicable information about the District's wellness policy and plan.

The SHAC shall review and revise the plan on a regular basis and recommend revisions to the wellness policy when necessary.

Nutrition Guidelines

Foods and
Beverages Sold

The District's nutrition guidelines for reimbursable school meals and all other foods and beverages sold or marketed to students during the school day shall be designed to promote student health and reduce childhood obesity and shall be at least as restrictive as federal regulations and guidance, except when the District allows an exemption for fundraising activities as authorized by state and federal rules. [See CO and FJ]

Foods and
Beverages Provided

The District shall establish standards for all foods and beverages provided, but not sold, to students during the school day. These standards shall be addressed in the District's wellness plan.

Wellness Goals

Nutrition Promotion
and Education

The District shall implement, in accordance with law, a coordinated school health program with a nutrition education component. [See EHAA] The District's nutrition promotion activities shall encourage participation in the National School Lunch Program, the School Breakfast Program, the Child and Adult Care Food Program, and any other supplemental food and nutrition programs offered by the District.

The District establishes the following goals for nutrition promotion:

1. The District's food service staff, teachers, and other District personnel shall consistently promote healthy nutrition messages in cafeterias, classrooms, and other appropriate settings.
2. The District shall share educational nutrition information with families and the general public to promote healthy nutrition choices and positively influence the health of students.

The District establishes the following goals for nutrition education:

1. The District shall deliver nutrition education that fosters the adoption and maintenance of healthy eating behaviors.
2. The District shall make nutrition education a District-wide priority and shall integrate nutrition education into other areas of the curriculum, as appropriate.

Physical Activity

In accordance with policies EHAB, EHAC, EHBG, and FFA, the District shall ensure that students in full-day prekindergarten—grade 5 engage in moderate or vigorous physical activity for at least 30 minutes per day or 135 minutes per week. Students in middle or junior high school will engage in 30 minutes of moderate or vigorous physical activity per day for at least four semesters or at least 225 minutes of moderate or vigorous physical activity within each two-week period for at least four semesters.

The District establishes the following goals for physical activity:

1. The District shall provide an environment that fosters safe, enjoyable, and developmentally appropriate fitness activities for all students, including those who are not participating in physical education classes or competitive sports.

2. The District shall make appropriate training and other activities available to District employees in order to promote enjoyable, lifelong physical activity for District employees and students.
3. The District shall encourage parents to support their children's participation, to be active role models, and to include physical activity in family events.
4. The District shall encourage students, parents, staff, and community members to use the District's recreational facilities, such as tracks, playgrounds, and the like, that are available outside of the school day. [See GKD]

Other School-Based Activities

The District establishes the following goals to create an environment conducive to healthful eating and physical activity and to promote and express a consistent wellness message through other school-based activities:

1. The District shall allow sufficient time for students to eat meals in cafeteria facilities that are clean, safe, and comfortable.
2. The District shall promote wellness for students and their families at suitable District and campus activities.
3. The District shall promote employee wellness activities and involvement at suitable District and campus activities.

Implementation

The director of facilities planning and developmental services shall oversee the implementation of this policy and the development and implementation of the wellness plan and appropriate administrative procedures.

Evaluation

The District shall comply with federal requirements for evaluating this policy and the wellness plan.

Public Notification

The District shall annually inform and update the public about the content and implementation of the wellness policy, including posting on its website copies of the wellness policy, the wellness plan, and the required implementation assessment.

Records Retention

The District shall retain all the required records associated with the wellness policy, in accordance with law and the District's records management program. [See CPC and FFA(LEGAL)]
